

## **PROF J DAS MEMORIAL LECTURE CALL FOR NOMINATIONS**

The Prof. J Das Memorial Lecture will be held during the next meeting of the Indian Society of Cell Biology being organized jointly with International Federation of Cell Biology and Asia Pacific Organization of Cell Biology by CSIR-CCMB, Hyderabad from January 27-31, 2018.

This lecture is in the memory of Prof. Jyotirmoy Das who made pioneering contributions in *Vibrio cholerae* research. He worked on elucidation of genetics of cholera phages, physical and genetic maps, repair processes and stress biology of *Vibrio cholera*. He did his B.Sc and M.Sc in Physics from Calcutta University followed by Ph.D in Biophysics from the Baylor College of Medicine. He returned to the country in 1978 joining Bose Institute and then moving on to Indian Institute of Chemical Biology becoming its Director in 1995. He remained in this position till his passing away in July 1998.

Since its inception there has been eight memorial lectures by eminent scientists viz. Profs. P. Balaram (2001), M.R.S. Rao (2003), P.P. Majumdar (2006), V. Nagraja (2007), A Surolia (2009), M.Vijayan (2011), Kanury V S Rao (2013) and J S Tyagi (2015).

**Nominations are invited from life and ordinary members of the Society (with at least three years standing) for the Prof. J Das Memorial Lecture. The person being nominated may not be a member of the society. The nominating member is requested to obtain the consent and biodata of the nominee and submit it along with the nomination form (given below) to**

Pradeep Kumar Burma  
Secretary, ISCB  
Department of Genetics
